**DECLARATION ON LACK OF TIES
personal and capital**

In response to Request for Proposals published by PiLab S.A., No. 2/10/2017 dated October 27th, 2017 concerning preparation and submission of 4 provisional patent applications (patent applications) to the US Patent and Trademark Office (USPTO):

I declare that I am not affiliated with the Orderer personally or in capital.

Capital or personal connections are understood as mutual connections between the Orderer or persons authorised to enter into obligations on behalf of the Orderer or persons performing on behalf of the Orderer tasks associated with preparation and implementation of the procedure of choosing a tenderer, and the tenderer, in particular:

- 1) participation in the company as a partner of a civil partnership or another partnership,
- 2) possessing at least 10% of capital or shares;
- 3) acting as a member of the supervisory or management board, proxy, or plenipotentiary,
- 4) remaining in a marriage relationship, in a family relationship or affinity in a straight line, relationship or affinity in the collateral line to the second degree, or in a relationship of adoption, guardianship or custody
