

**Statement on the conditions of participation in the proceedings based  
on REQUEST FOR PROPOSALS No. 2/10/2017  
published by PiLab S.A., Wroclaw, Poland**

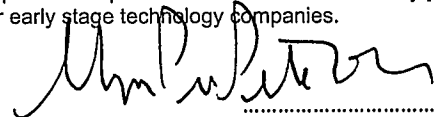

..... on .....

REGON / National Business Registry Number:

**Statement on the conditions of participation in the proceedings**

1. We are authorized to practice as a US Patent Attorney at the US Patent and Trademark Office (USPTO).
  2. We have staff having a university degree in information technology,
  3. Personnel at our disposal are specialists in the field of databases,
  4. Our staff have professional experience in analytical software (work or have worked in a profession)
  5. Our staff are specialists in software and algorithm patenting at the US patent office – at least 50 patents filed and defended at USPTO,
  6. We have a history of cooperation with companies at an early stage of development.

The preceding statements are subject to the following qualifications: the members of our team who will be actively involved with preparing the patent applications in accordance with the Offer of services have relevant university degrees in engineering and computer studies related to information technology; such members of our team in our opinion are qualified in and have successfully prosecuted software related patents before the USPTO for over ten years, particularly for early stage technology companies.
